

U.S.S.N. 148,992

application, now U.S. Patent Number 4,735,621. The assignments submitted for the patent recited the correct serial number of the parent application, but recited the incorrect patent number. Corrected assignments for the U.S. Patent are currently being executed. The assignments submitted for this application are correct.

It is respectfully requested that the Notice of Allowability for this application now be issued. If any charges are due for the filing of this response, please charge Deposit Account Number 12-1210.

Respectfully submitted,
